NSC Cuban Overflight or landing requests.

INR

CIA Foreign Office (Thestrup) approached 20th along lines reference
NSA telegram. He said Norway had not yet received request from
OSD Cubana and that GON had report of discussions of problem in
ARMY POLAD. He stated Norway would treat request as if from bloc
NAVY participants Chicago Convention and Transit Agreement (Poland
AIR and Czechoslovakia) and would accordingly apply provisions
CAB articles mentioned reference telegram as well as delay processing
COM of request.
FAA

RMR Thestrup stressed necessity of common NATO policy if stronger
action needed because any request Norway received probably
would also be made to Sweden and unless guided by firm NATO
agreement Norway would find extremely difficult to depart from
relatively favorable treatment Sweden likely would extend to
Cubana.
